Cora aka Bear needs a foster or forever home!!

She is a young spayed Shar-Pei who is losing her home due to family health problems. She is very loving to children, cats and women. She is coming into MACSPRO this weekend. We need a place for her.

Looking for a gentle girl that loves kids, and ladies, walks and treats. This pretty girl will be a loyal companion, laying at your feet, loving the pets and play.

Available through the Mid-Atlantic Chinese Shar-Pei Rescue Operation
